

Western Association of RC&D Councils; Auction Items.

The planning for the next Western Conference, to be held in Las Cruces, NM, is coming along quite nicely. We are asking that each council bring with them two auction items that can be auctioned off at the live auction that will be held in Las Cruces. We will also be featuring a silent auction which we are asking each council to also participate in with one additional item or we can use one of the two items that you bring for the live auction. In any event you can ship your items directly to the hotel in Las Cruces the address is:

Hotel Encanto de Las Cruces
Attn: NMARC&D Councils
705 South Telshor Boulevard
Las Cruces, NM 88011

The Hotel has asked that items shipped to the hotel need to arrive no more than a couple of days before the conference, they do not have adequate storage to keep the items for an extended period of time. So ship items to arrive on Saturday the 12th of January, 2008 or on Monday the 14th of January. The auction will take place on Tuesday night the 15th of January. Thank you for your cooperation and we will see all of you in January in beautiful Las Cruces, New Mexico.
