

Auction Items/Door Prizes

2009 Western RC&D Conference - Spearfish, South Dakota

Another reminder that each RC&D Council is asked to donate auction items and door prizes for the Western Conference. The proceeds from the donated items go to funding the Western RC&D Association.

Items donated are utilized at the conference as either a silent auction item, an auction item at the Tuesday evening banquet, or as door prizes given out through drawings during the conference. (You can designate how you want your donated item to be used.)

- **Silent auction items are displayed in a secure room throughout the conference, utilizing a bid sheet with bidding throughout the day.**
- **Auction items are displayed in a secure room; however, they are only available for bidding at the Tuesday evening banquet. The Banquet auction is conducted by auctioneer, Hugh Hart, of Spearfish, SD.**
- **Door prizes are drawn from a hat (or other vessel) during the conference from registered attendees (you must be present to win). These items are usually lower in monetary value than auction items.**

Donated items are a great way to promote locally grown, made, or marketed goods and services from your RC&D Area, as well as your RC&D area.

Thanks in Advance for your Donation!

Donated Items can be brought to the conference or sent in advance to:

**Holiday Inn Hotel and Convention Center
c/o SD Association of RC&D Councils
305 N. 27th Street
Spearfish, SD 57783**

Thanks! Hope you to see you in Spearfish!
