They have voted to give Bobby an increase in pay as the cost of living is not equal to her salary. Joe L. was the only one to vote against the increase and Paul sustained. Bobby was offered another two year contract in June. The only entity that has sent more letters of support and interest to Congress was Social Security. Our stack of letters was over three and a half feet tall. The fight is not over we need to strive to give quality service and meet our goals in the Circle of Diamonds.
